Testimonials

"I would not hesitate to recommend Sinead, she is able to build a quick and lasting rapport with clients and is able to implement therapeutic programmes which are goal orientated, reasonable and considered. She is well thought of by those representing Claimants and Defendants from my experience, and she is well versed in the practicalities of working on a joint instruction basis under the Rehab Code. This makes for better collaboration between parties and ultimately to the benefit of the injured individual." *Personal Injury Solicitor*

"You have a genuine, caring, human side in a world that can feel very inhumane at such stressful times. You did everything you possibly could to support me after a terrible accident and left me in no doubt that you left no stone unturned to restore me to health. Your efficiency, knowledge and experience was excellent and I genuinely appreciated how you were prepared to go above and beyond to help me when I was at my lowest...thank you" *Client*
