## SAFEGUARDING CONSULTANT

lucy.naven@lmnopltd.co.uk

At 3HUB safeguarding clients is fundamental to our practice, and supporting our case managers to navigate the complexities and nuances of the safeguarding process is key. With this at the forefront of our service we aim to ensure that safeguarding runs through all that we do as practitioners.

3HUB's Safeguarding Consultant, Lucy Naven, offers all 3HUB members specialist support with the complex safeguarding needs of clients, ensuring they can access the appropriate assistance and care they need within current legal and governance frameworks.

Lucy is a highly experienced case manager, holding a small caseload of adult and paediatric clients. She is a well-respected Safeguarding Consultant and trainer, working across the private sector (predominantly case management, rehabilitation and complex care), providing safeguarding consultancy, supervision and training. She delivers safeguarding training at Level 2, 3 and 4, drawing on over 25 years of real-world practice as a Chartered Psychologist, IRCM Registered Case Manager and BABICM Advanced Practitioner.
