## Profile

Megan is an experienced Case Manager Assistant with over eight years' experience supporting individuals with acquired brain injury, cerebral palsy, and complex rehabilitation needs. She holds a First-Class Honours degree in Psychology and brings a strong foundation in neurorehabilitation, case coordination, and multidisciplinary working.

Megan has progressed from hands-on support roles into an assistant case management role, giving her a thorough understanding of rehabilitation delivery from both strategic and practical perspectives. She has extensive experience coordinating community-based rehabilitation packages, liaising with multidisciplinary professionals, managing support teams, and ensuring care is delivered safely, effectively, and in line with agreed outcomes.

Megan has a calm, organised, and compassionate approach, she works closely with clients and families to build trusted relationships and tailor rehabilitation plans to individual goals. She is committed to promoting independence, quality of life, and meaningful long-term outcomes through structured, client-centred case management.

## Testimonial

"Megan is an exceptionally reliable and proactive Assistant Case Manager. She brings clarity, compassion, and thoroughness to every task, and her support consistently strengthens the quality and safety of client work. She is a trusted professional who enhances any team she works with."
